

Rod Hunter

ON-AIR TALENT ▪ HOST ▪ MODEL

Rod Hunter was a #1 rated morning radio personality for 15 years before his natural transition from radio to television in the early 80s. Rod dominated the Arbitron ratings in Akron-Cleveland, Pittsburgh, Houston and San Diego and was awarded Billboard Magazine's major market radio personality of the year. With that popularity came many local, regional, and national spokesperson roles for TV: Ford, Chevy, Toyota, Nissan, Chrysler, Winnebago, Yamaha, HBO and Showtime. Rod's next career step was to bring all that advertising experience to businesses nationwide. PrimeTime Ad Corp was formed in 1984 with clients from Los Angeles to New York City.
